

Dr Camilla Olsen

PSYCHD, BSc (Hons)

Professional Profile

Dr Camilla Olsen specialises in 1 on 1 therapy for adults who suffer from psychological issues including anxiety, depression, bereavement, bipolar disorder and PTSD. Dr Olsen also treats those who struggle to come to terms with chronic pain or other physical illnesses that impair everyday functions. Dr Olsen trained in different forms of therapy including CBT, and I work with clients short, medium and long term. She is recognised by all major insurance companies.
