

# Dr Charlotte Gribbin

MB BCh BAO, MSc Aesthetic Medicine (dist)

## Professional Profile

Dr Charlotte Gribbin is an award-winning Aesthetic Physician. She has a Master's Degree in Aesthetic Medicine, came 1st in her class and won the Andrea Grimaldi medal for her dissertation. She is a Clinical Lecturer and faculty member for the Queen Mary, University of London, MSc in Aesthetic Medicine programme. She regularly presents at National and International meetings.

Starting with an in-depth consultation she combines her delicate aesthetic skills with her passion for regenerative medicine to create truly bespoke treatments for her patients.

Patient safety is her top priority and all of her treatments are based on the best available medical evidence. Her patients describe their results as natural, refreshed and confidence boosting.

## Special Interests
