Professional Profile

Dr Ward qualified from Kings College in 1991 and achieved specialist qualification in 2002. He gained his MD in 2009.

In recognition of clinical excellence and dedication to his exemplary performance he was invited by esteemed cardiology peers to become a fellow of the Royal College of Physicians in July 2008. He has developed his expertise in all aspects of cardiovascular medicine, with a particular interest in device therapy and specifically devices for the treatment of life-threatening cardiac arrhythmias and heart failure. level II accreditation in cardiovascular CT enables him to independently perform & report cardiac CT.
