

Dr Maxwell Asante

BSc MB ChB PhD (Med) FRCP

NHS Practices

Kings College Hospital NHS Foundation Trust, London

Professional Profile

Dr Maxwell Asante consults in all areas of general gastroenterology. He has a special interest in the evaluation, diagnosis and management of acid related disorders; alteration in bowel function eg irritable bowel syndrome and colitis; food related disorders and cancer diagnosis.

He offers diagnostic/therapeutic endoscopy, including wireless endoscopy, balloon enteroscopy and ERCP. He completed his undergraduate medical studies in 1987 and holds membership of the following professional bodies: British Medical Association; British Society of Gastroenterology; Medical Protection Society and the Royal College of Physicians, London. He is heavily involved in research and, as such, is widely published in aspects of gastroenterology.

Dr Asante's website is www.consultantgastroenterologist.co.uk
