

Dr Nikila Pandya

MD, DCH, FRCPCH

NHS Practices

Maidstone and Tunbridge wells NHS Trust

Professional Profile

I have over 25 years of paediatric experience both overseas and in the UK. I have had a years training at guys hospital in paediatric neurology and have trained at the royal marsden hospital in oncology.

I have been fortunate to Volunteer on many international medical missions . This has given me the experience in some tropical diseases as well. Most of my experience has been in general paediatrics in the NHS. This includes gastrointestinal problems, common allergies ,asthma and eczema.
