

Dr Yee Mah

MBBChir, PhD, FRCP

Scans, tests, services & treatments available

- Neurology

NHS Practices

King's College Hospital NHS Foundation Trust

Professional Profile

Dr Mah is an experienced consultant neurologist based at King's College Hospital, London, and a Fellow of the Royal College of Physicians. With expertise in adult neurology, he provides consultations for a wide range of general neurological disorders, including headache, stroke, tremors, and sensory symptoms.

Dr Mah graduated from the University of Cambridge and obtained his PhD in Neurology from the Institute of Neurology, UCL, London. Alongside his clinical work, he is actively involved in neuroscience research, and holds the position of Lead Clinician for stroke research at King's College Hospital and Senior Clinical Lecturer at King's College London.
