Professional Profile

Gary graduated from Plymouth in 2008 with a first-class degree in Physiotherapy.

Gary has been leading the department since the end of 2022 and has since led the department in expanding clinics across our sites at Sevenoaks Medical Centre and Orpington. Gary's drive is to ensure all users of the service not only recover and rehabilitate back to fitness, but also receive a service that is memorable and positive. Prior to joining KIMS, Gary worked and led teams across the private sector and within the NHS.

Previous experience: Spire Healthcare, BMI Healthcare (Circle Health), South London NHS Trust, Somerset NHS Trust.

Special Interests

His interests are focused around musculoskeletal physiotherapy, injury rehabilitation, and post-surgical rehabilitation.
