Maidstone and Tunbridge Wells NHS Trust

Professional Profile

Miss Milica Perovic is a consultant obstetrician and gynaecologist at Maidstone and Tunbridge Wells NHS Trust. She is a general gynaecologist with an interest in the management of early pregnancy problems, gynaecology ultrasound, abnormal smear and colposcopy, hysteroscopy and minimal invasive surgery. She graduated and trained in Belgrade, Serbia. Following completing her Master's degree and PhD in gynaecology she pursued advance training in the UK and qualified as a Member of the Royal College of Obstetricians and Gynaecologists in 2012.
