

Miss Pei-Pei Cheang

MBBch, FRCS (ORL-HNS), EBFPRS

NHS Practices

Maidstone and Tunbridge Wells NHS Trust
Queen Victoria Hospital,
East Grinstead

Professional Profile

Miss Cheang is a Consultant ENT Surgeon in Maidstone & Tunbridge Wells with a special interest in facial plastic surgery. She undertakes both adult and paediatric general ENT cases. She specialises in removing skin lesions on the face, rhinoplasties, sinus pathology and aesthetic surgery.

She completed her undergraduate training in University of Wales, and her higher surgical training in ENT in the West Midlands. She completed a fellowship by the European Academy of Facial Plastic Surgery, and gained specialist training in Europe, London and South Korea. Following this she was awarded the European Board for Certification in Facial Plastic and Reconstructive Surgery (EBFPRS). This exam is in collaboration with the American Board of Facial Plastic and Reconstructive Surgery.
