## NHS Practices

Princess Royal University Hospital, Bromley (King's College Hospital NHS Trust)

## Professional Profile

Mr Dominic Davenport is a Consultant Orthopaedic surgeon specialising in hip and knee problems including joint replacements, soft tissue knee and lower limb sports injuries.

He graduated from Guys, King's and St. Thomas' Medical School and completed higher surgical training in South London. He completed an additional Masters degree in Sports and Exercise Medicine. He maintains an NHS practice at PRUH, Bromley and Orpington Hospitals.

He has a particular interest in hip and knee replacement including partial knee replacement with enhanced recovery pathways. Dominic focuses on a patient-centred approach offering both non-operative and operative treatments for a wide variety of hip and knee problems.

## Special Interests

Hip and Knee surgery
