NHS Practices

Maidstone Hospital, Kent

Professional Profile

Mr Kasetti Ravikumar was appointed to his consultant's post in 2001 at Maidstone Hospital, part of the Maidstone and Tunbridge Wells NHS Trust.

His interests include lower limb arthroplasty encompassing primary and revision hip and knee replacements.

Mr Kasetti Ravikumar also specialises in reconstructive surgery of the knee, routinely performing arthroscopic ACL, PCL, tibial and femoral osteotomy, meniscal suturing, computer assisted knee replacement, joint cartilage regenerative procedures such as Microfracture.

He has an active interest in research and has published a number of articles in peer reviewed journals. He is also a tutor in orthopaedics. In addition to the above, Mr Ravikumar has an interest in orthopaedic trauma and undertakes medico-legal work for personal injury claims.
