NHS Practices

Darent Valley Hospital (Dartford and Gravesham Trust)

Professional Profile

Mr Trapszo has 26 years experience of continuous practice in General Surgery; still actively performing some of general surgical operations (mainly hernia repairs) in the NHS.

11 years in Breast Surgery; taking part in implementation of sentinel Lymph Node Biopsy in Breast Cancer (New Start Programme) at Darent Valley Hospital, Dartford.

Speciality Doctor in Breast Surgery 2009-2012 at the Royal Marsden Hospital.

2012-2016 Specialist Breast Surgeon, co-organizer and Deputy Lead of regional German Cancer Society certified Breast Cancer Centre, Germany.

Back to the UK Oct 2016 as a Locum and subsequently substantive Oncoplastic and Reconstructive Breast Surgeon, Darent Valley Hospital, Dartford.

Special Interests

Oncoplastic techniques, extending breast conservation and possibly reducing mastectomy rate
