

Mr Sajid Shariff

BSc MBBS FRCS (Orth)

Scans, tests, services & treatments available

- Bunion surgery
- Orthopaedic surgery

NHS Practices

Medway Foundation NHS Trust, Kent

Professional Profile

Mr Sajid Shariff is a Consultant Orthopaedic Surgeon specialising in foot and ankle surgery.

He provides a tertiary level service accepting patients from nearby trusts and from within the orthopaedic department. He runs a dedicated multidisciplinary foot and ankle unit which involves physiotherapists, podiatrists and orthotists.

He has completed fellowships in foot and ankle surgery at Clinique de L'Union, Toulouse and the Royal National Orthopaedic Hospital, Stanmore.

Special interests include bunions and forefoot disorders, sports injuries affecting the foot and ankle, reconstructive surgery for lower limb tendons and ankle ligaments, trauma surgery, rheumatoid arthritis, hindfoot deformity correction and fusions and ankle arthroscopy.
