Maidstone and Tunbridge Wells NHS Trust

## Professional Profile

Mr Mahalingam is a highly recommended award-winning ENT Consultant Surgeon with an NHS Practice in Tunbridge Wells and Maidstone Hospitals. He practices privately in Central London (Harley Street), Tunbridge Wells, Orpington, Sevenoaks and Maidstone, where he holds regular Friday and weekend (Saturday) clinics.

He graduated from University College London, and has undergone rigorous training in all aspects of ENT in prestigious centres in London, Cambridge, Kent, Surrey and Sussex, supplemented by further exposure in Centres of Excellence in North America (New York and Toronto).

Mr Mahalingam, is one of few ENT surgeons in the UK to have received advanced specialist training in rhinology (the management of nasal and sinus conditions) and accepts regional referrals from all over Kent, Surrey, Sussex and London on the NHS and privately in this field. Having being awarded the European Rhinology Society Fellowship Prize, he completed the prestigious Advanced Rhinology and Facial Plastic Surgery fellowship in

Winchester/Southampton through international competition. This allowed him to pursue his special interests in nasal and sinus problems. He was later awarded the British Society of Facial Plastic Surgery fellowship prize, providing him with advanced training in facial reconstructive surgery.

By aligning his NHS and private practices, and closely monitoring patient outcomes, Mr. Mahalingam is dedicated to delivering the highest standard of care to his patients.
