Queen Victoria Hospital

Professional Profile

Alexandra Molina is a UK trained Consultant Plastic Surgeon and is on the Specialist Register for Plastic Surgery. She qualified from Cambridge University with Distinction in 2005. She has a keen interest in teaching and training surgeons and has completed a PGCE. In 2015 she was successful in gaining the Intercollegiate Fellowship in Plastic Surgery - FRCS(Plast). For her outstanding performance in these final examinations she was awarded the McGregor 'Gold' Medal.

In 2017-18 Alex was awarded an Emerging Leaders Fellowship at the Royal College of Surgeons. Her main clinical interest is in breast surgery, and she is now Lead Consultant for the breast department at QVH.
