

# Nathan Faulkner

[Diploma in Integrative Psychotherapy; BSc Hons Psychology](#)

## Professional Profile

I am an integrative psychotherapist registered with both the UK Council for Psychotherapy (UKCP) and the British Psychological Society (BPS).

Having worked in both outpatient and acute inpatient mental health settings within the NHS, charitable organisations and private medical centres in London and across Kent I have experience of supporting individuals experiencing a wide variety of issues including depression, bereavement, stress, anxiety, addiction and relationship difficulties.

In addition to this I also have extensive experience of working within specialised healthcare services supporting individuals in managing major life transitions following surgery and/or health related difficulties.

## Special Interests

Applying psychological and therapeutic approaches within healthcare,  
Depression, Anxiety, Relationship difficulties
